DATED 25 - 6 - 1931.

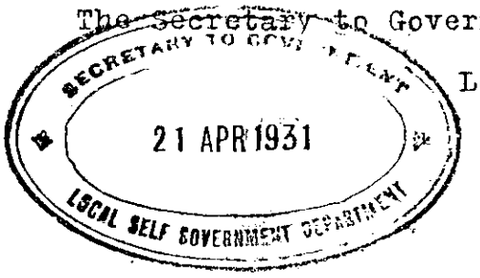
[Despatch Abstract.]

Petition

Bellary Taluk Board (Bellary) - Kottekal dispensary — conversion into rural dispensary — Surgeon-General's remarks communicated to the Taluk Board.

To

The Secretary to Government



Local Self Government Department,

Fort. St. George,

Madras.

Respected S i r,

We the residents of Kanekal and of surrounding villages Rayadrug Taluk, Bellary District came to know that the present Local Fund Dispensary at Kanekal will be converted into a Rural Dispensary.

In this connection we beg to bring to the kind notice of the Government that in order to lessen the expenses X proposals were submitted for the conversion in to a Rural Dispensary by the Taluk Board , Bellary. This place (Kanekal) is 18 miles from Rayadrug and 31 miles to Bellary. We further request that the present L.F. Dispensary may be made in to a small Hospital having 4 beds by giving Grants form the Government . The general attendance is nearly not less than 80 per day. The poor patients will find much difficulty for not having a small Hospital in a place like Kanekal which is the center of two firkas. We lay before you that this Dispensary is a thriving one.

We therefore request the Government to pass orders not to convert into a Rural Dispensary and to make the present L.F. Dispensary in to a small Hospital.

For which act of kindness we shall ever be thankful.

We beg to remain,

Respected sir,

your most obedient servants,

Kanekal .
17-4-31.

Copy to the District Medical Officer, Bellary. and President District Board ? Bellary, and Collector Bellary for favour of taking necessary early action.

T.C.R. 623/31

Office of the President Taluk Board,

~~1356~~ Bellary.

Dated.8th May, 1931.

From

Emc. G. O. M.R.Ry. P. Lakshimi Reddy Garu,

Memorandum. President Taluk Board, 6-JUN 31

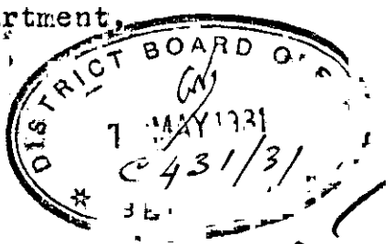
Bellary.

To

The Secretary, to Government,

Local Self Government Department,

Madras.



Through,

The President,

District Board,

Bellary.

Sir,

Ref.Government Memorandum No.15222-1-D-1 P.H. dated 24.4.31.

In resubmitting herewith the above Government memorandum I beg to state as follows:-

The annual expenditure on the dispensary at Kanekal is Rs.3580. The revenue under all sources of the Rayadrug Taluk is only Rs.11230/- The Board feels that the amount now spent on the Kanekal dispensary which ~~xxservices~~ serves the needs of ~~xxxx~~ few villages is a strain on the revenue of the Taluk and handicaps affording facilities for a population of a major portion of the Taluk considering all the above facts, the Board resolved to convert the existing dispensary into a rural one and not with any other object. Besides this, the dispensary has not been entirely abolished and the villagers now complained of can very well avail the opportunity of having medical aid even if the existing dispensary is converted into a rural dispensary. It is therefore stated that the grounds stated by the petitioners for restoration of the dispensary for providing of a hospital is not based upon solid facts.

P. Lakshmi Reddy.

President. 5/31

P.S.R.9/5/32.

LOCAL SELF GOVERNMENT DEPARTMENT

Office of the Surgeon-General with the Government of Madras,

No. R. 527-Hospl.

2355.

Madras, dated the 11th June 1931.

Medical institutions - Local Fund and Municipal - Kanekal Dispensary - conversion into a subsidized rural dispensary - not recommended.

Forwarded with reference to Government Memorandum No. 15222-1-D1 P.H., dated 24th April 1931.

2. I also enclose herewith for the information of Government a copy of letter dated 27th April 1931 from the District Medical Officer, Bellary. In the circumstances stated by the President, District Board and the District Medical Officer, Bellary, I am not in favour of the proposal of the President, Taluk Board to convert the Local Fund Dispensary at Kanekal into a subsidized rural one.

Major-General, I.M.S.,
Surgeon-General with the Government of Madras.

To

The Secretary to the Government of Madras,
Local Self Government (Public Health) Department,
Madras.

-ment.

Bellary District Board Office

Endn. No. D. Cr. No. 431/31 Dated 27 May 1931

Forwarded.

2. The question of the public utility for the present allopathic dispensary is well established. It has continued to be a popular institution. The request of the petitioners deserves consideration.

3. In the allocation of its services to suit its finances in the event of the taluk of Rayadrug being made into a separate taluk board, the proposed Conversion has been decided upon. It may not be

a realization in the near future
Unless the actual working of the
proposed board when it is formed,
necessitates this measure of retrenchment
this institution with its fine building
may be retained. Hence I am not in
favour of the proposal of the President Railway
Board – It is the only institution for a large area.

Copy of letter from the District Medical Officer,Bellary, to the Personal Assistant to the Surgeon-General with the Government of Madras,No.524/31,dated 27th April 1931.

Conversion of L.F.Dispensary at Kanekal into a subsidised Rural Dispensary - Ref.- Your No.527-1 H dated 11-4-31.

The Dispensary at Kanekal was opened during the year 1915 and since then it continued to be popular. Kanekal is 18 miles away from Payadrug and 31 miles from Bellary. Several villages nearby get medical aid. This is the only L.F.Medical Institution for Rayadrug Taluk. Kanekal has a population of about 4500. The Dispensary attendance has been steadily increasing as could be seen from the following statistics. Further, malaria also is prevalent in the station. If the L.F.Dispensary is converted into a rural dispensary, I am afraid the villages nearby will be deprived of proper medical aid. I am not in favour of the proposal of the Taluk Board.
